

## Joshua C. Ochia

Front end Developer

### How to reach me:

**Cell:**

+639759182725

**Email:**

joshuacosareochia@gmail.com

**Website**

<https://www.linkedin.com/in/joshuaochia/>

### Personal Projects

**GoNearby (on development)**

A Mobile app. architecting the initial backend using Django REST and React native as FE

**CearnCRM CMS**

A cms using Prismic.io considering the api call limit - Build the CMS using Gatsbyjs.

### Personal Profile

Enthusiastic when it comes to frontend and web3 development - A grateful guy to freelancing agency that gives a lot of freedom and ton of opportunity to learn. I'm always eager to learn new things from documentation, videos, co-worker, friends etc... Always ready to listen.

I read, develop, design, and bake good breads.

P.S. I'm a big fan of Paramore

### Education Background

**College**

Cagayan De Oro College
